About us

Nine Stars Sports LLP is a Mumbai-based company engaged in the wholesale supply of premium flooring solutions, including sports flooring, artificial grass, and a variety of flooring services. Established in January 2023, the company has quickly gained recognition for delivering durable, performance-oriented products tailored to the needs of modern sports and recreational spaces.

Operating from Borivali (East), Mumbai, the firm serves clients across Maharashtra with a focus on quality, timely execution, and customer satisfaction. Its offerings cater to schools, gyms, stadiums, residential landscapes, and commercial setups seeking efficient and aesthetic flooring solutions.

Vision and Mission

Nine Stars Sports LLP aims to lead in innovative and durable sports flooring solutions. We focus on quality, safety, and timely execution for every project. Our mission is to create lasting value and trust through excellence and innovation.

Badminton Indoor & Outdoor Courts

Indoor and outdoor badminton courts offer players a consistent, comfortable space to play. They ensure smooth gameplay without any weather interruptions.

The choice of flooring greatly impacts performance, safety, and comfort.

The right surface provides better grip, shock absorption, and improved play.

- Indoor :** ✓ **Wood Flooring** ✓ **PVC Vinyl Flooring** ✓ **PU Flooring**
- Outdoor :** ✓ **Non Skid PP Tiles** ✓ **Acrylic Hard Court**

We have been designing and constructing swimming pools for discerning clients with a tried, tested, and trusted approach. Whether you need a domestic, commercial, or school pool installation, we deliver on time, within budget, and with exceptional quality. Our expert team ensures every pool is built with precision, safety, and long-lasting durability. From concept to completion, we create swimming pools that exceed expectations in every detail.

Swimming Pool

- ✓ **Rising Appeal** – Pools for relaxation, fitness, and fun.
- ✓ **Premium Design** – Durable, elegant materials and top-quality finishes.
- ✓ **Enhanced Experience** – Safe, well-lit, and visually inviting spaces.
- ✓ **User Focused** – Comfortable and functional for all swimmers.

Hockey Court

Hockey, with its fast-paced action and intricate skills, requires a meticulously designed playing surface to bring out the best in players and in the sport itself. The construction of a hockey turf involves a fusion of engineering, technology, and player needs to create an environment that caters to both dry and wet play, while upholding the pride of our national game.

- ✓ **Custom Design** – Courts tailored to your space, colors, and branding.
- ✓ **High-Performance Flooring** – Optimal bounce, comfort, and low maintenance.
- ✓ **Reliable Build** – Complete service from assessment to inspection.
- ✓ **Future-Ready** – Optional LED lighting, fencing, seating, and multisport features.

Athletic tracks are spaces where athletes excel and people pursue fitness with dedication. Building a quality track requires detailed planning, precise workmanship, and adherence to global standards. Each design is crafted to meet the needs of athletes, schools, training centers, and communities. From surface selection to layout accuracy, every element ensures safety, performance, and long-term durability.

Athletic Tracks
